Press Release: **For Immediate Release**

Bazetta Township, Trumbull County Ohio: Press Conference on September 20, 2010 at 10:00 AM. Police to release images and sculpture of forensic facial reconstruction of unidentified skeletal remains.

In efforts to generate leads in this four- year- old cold case, Detective Joseph Sofchek of the Bazetta Township Police Department and Trumbull County Coroner, Humphrey D Germaniuk M.D. will unveil the facial reconstruction prepared by the F.B.I's Special Projects Unit Forensic Artists. The remains are believed to be those of a black male discovered in the area of Mosquito Creek Lake State Park on July 23, 2006.

The press conference will be held at the Bazetta Township Police Department located at 2671 McCleary Jacoby Road. For Further information please contact the Police Department at (330) 638-5503.

If you cannot attend the news conference, further information and pictures can be forwarded to you by providing us with your contact information. Send email requests to bpdrecords@bazettatwp.org or to the above phone number or address.
