RE: Bonds/Faithful Performance Coverage

Election time is rapidly approaching and once again we are pleased to provide your township with the required coverage for your new or re-elected Trustee & Fiscal Officer who start their new terms in 2020.

We are excited to be able to offer a new coverage option, provided under the OTARMA Governmental Property Agreement. This coverage would be in place of a traditional surety bond for those public officials that are *required to be bonded under Ohio law*.

If you choose this option, the township must elect, by resolution, to use OTARMA's coverage document for all their required bonded public officials as an "employee dishonesty and faithful performance of duty policy," in lieu of surety bonds. (The sample resolution enclosed must be passed by you before coverage will be in effect.)

Benefits include:

- No premium due at this time (nominal charge at renewal)
- Simple application (no personal data requested)
- Included as part of the township's annual OTARMA coverage document
- No tracking of individual bonds

Please complete and return the enclosed application as soon as possible so coverage can be in place prior to 1/1/2020. Application can be submitted:

- By mail in the envelope provided to 315 S. Kalamazoo Mall, Kalamazoo, MI 49007
- By fax to 1-269-276-4095
- By email to wfrench@bfgroup.com

You also have the option to continue to purchase the Fiscal Officer bond (through Travelers, effective 4/1/2020) and the free trustee bond (through OTARMA, effective 1/1/2020). Applications for these can be found at otarma.org. If you have any questions, please contact me at 1-888-748-7966, ext. 3136.

Resolution

WHEREAS, _____ Township, _____ County is a member of the Ohio Township Association Risk Management Authority (OTARMA), a political subdivision risk pool established pursuant to Ohio Revised Code hereinafter "ORC," 2744.081;

WHEREAS, House Bill 291 was signed into law on December 20, 2018 and became effective March 20, 2019; authorizes the use of an, "employee dishonesty and faithful performance of duty policy," instead of individual surety bonds, for trustees, employees, and appointees who are otherwise required by law to acquire a bond before entering upon the discharge of duties; and

WHEREAS, in accordance with ORC 3.061, the township must adopt a policy by resolution to allow the use of an "employee dishonesty and faithful performance of duty" coverage document, rather than a surety bond, to cover loss by fraudulent or dishonest actions of employees and failure of employees to faithfully perform duties; the following shall apply to the policy:

1. An officer, employee, or appointee shall be considered qualified to hold the office or employment, without acquiring a bond, on the date the oath of office is taken, certified, and filed as required by law.
2. An officer, employee, or appointee shall have the employee dishonesty and faithful performance of duty policy in effect before the individual's term of office or employment and the officer, employee or appointee shall not commence the discharge of duties until coverage is documented.
3. All officers, employees, or appointees who would otherwise be required to file a bond before commencing the discharge of duties shall be covered by and are subject to the employee dishonesty and faithful performance of duty policy instead of a surety bond requirement.
4. The coverage amount for an officer, employee, or appointee under an employee dishonesty and faithful performance of duty policy shall be equal to or greater than the maximum amount of the bond otherwise required by law.
5. Elected officials, prior to taking the oath of office and holding office, shall obtain approval of the intent to use the township's OTARMA coverage agreement and affirm that the township's coverage complies with ORC 3.061. Said approval shall be obtained by the _____ Township, _____ County.

WHEREAS, _____ Township, _____ County's, "employee dishonesty and faithful performance of duty policy" through the OTARMA coverage document complies with ORC 3.061: and

NOW, THEREFORE, BE IT RESOLVED, that on this date _____, the _____ Township, _____ County hereby authorizes the township to purchase and use "employee dishonesty and faithful performance of duty policy" through OTARMA instead of individual surety bonds for officers, employees, and appointees who are otherwise required by law to acquire a bond before entering upon the discharge of duties.
