Re: State Project Asphalt Grindings

Dear Honorable Senator O'Brien:

It is our understanding that you have been coordinating an effort with the Ohio Department of Transportation to secure a portion of asphalt grindings from State projects for use by local governments. As you are aware, it has become increasingly difficult and costlier to obtain said materials as a result of newer paving techniques and beneficial reuse of this product.

Please be advised that we support your efforts in securing a portion of the asphalt grindings which could be obtained by the Trumbull County Engineer's Office and distributed to Trumbull County communities. As you know, these materials were originally paid for with tax payer monies and should remain the property of government. We have no objection to a nominal cost to obtaining this material based upon an increase to respective contract unit bid items. This effort could have a profound effect on the maintenance and upgrade of the roadways not only within Trumbull County, but statewide.

Again, thank you for your continued efforts in this matter.

Sincerely,

Ted Webb      Frank Parke      Bob McBride
