Good to hear from you Chief,

Thank you for reaching out. Things are going well at Lakeland however another opportunity closer to home has presented itself to which I have applied. If you receive phone calls asking about my employment that is the reason why.

I hope all is well at Bazetta Fire and that everyone is staying safe and healthy.

I've been putting this off for a while because it is a very difficult decision. After much thought, I have decided that I do not wish to continue as a part-time firefighter/paramedic for Bazetta Township. If times were different I would continue, but the COVID situation has weighed heavily on my mind. I can't justify the risk of part-time employment, or even volunteer, in healthcare during the pandemic. I don't see an end to the pandemic in sight and I don't feel it fair to the township for me to stay in limbo.

I will keep Bazetta Township in mind and I hope that the door would be open for me to return in the future as a part-time employee.

Keep safe!

I hope everything is well with you and your new job. I am checking to see if you still want to continue being employed with Bazetta Township as a part-time Firefighter/medic?

Please let me know, we still would love to have you work for us.

Thanks

Dennis K. Lewis
